

# Kajal Kumari

## Full Stack Web Developer

### PROFESSIONAL SUMMARY

An aspiring Full Stack Web Developer driven by a passion for crafting efficient, user-centered applications. With expertise in Java, JavaScript, and front-end technologies, I focus on delivering seamless, innovative solutions. I thrive in collaborative environments and approach every challenge as a chance to grow. Committed to continuous learning, I aim to stay at the forefront of development. Let's connect and build the future together through code.
